

AMANT V'AIR

House Rules · Version June 10, 2026 · 18+ event

Welcome to Amant V'air. By purchasing a ticket and entering the venue, you agree to these house rules. They are not meant to restrict you, but to guarantee everyone a safe, respectful, and unforgettable experience. The organization and its staff are authorized to enforce these rules.

1. Access

- Amant V'air is only accessible to persons aged 18 or older. There are no exceptions.
- Every visitor must show a valid ID at the entrance: identity card, passport, driver's license, or itsme. Anyone without valid ID or under 18 will be refused entry without refund.
- After verification you will receive a wristband. This wristband is personal, non-transferable, and must be worn visibly. No wristband, no service.
- The organization reserves the right to refuse anyone entry, even with a valid ticket, without stating a reason.
- Tickets are strictly personal and are scanned upon entry. Duplicate scans will be refused.

2. Safety & Checks

- At the entrance, a licensed security guard may carry out a superficial check of clothing and hand luggage. Refusing this check will result in refusal of entry.
- Dangerous objects are prohibited: weapons, glass, pyrotechnics, laser pointers, sticks, pointed umbrellas, or any other objects that could be used as a weapon.
- Always follow the instructions of security, first aid, and organization staff (identifiable by their attire).
- In the event of an emergency, an evacuation signal, or instructions from emergency services: stay calm and follow the instructions immediately.
- Report suspicious behavior, lost items, or incidents to security or the organization's info point.

3. Alcohol

- Since all attendees are of legal age, all alcoholic beverages are available. Bar staff have the right to refuse service to visibly intoxicated persons, without discussion.
- Bringing your own alcoholic beverages onto the festival grounds is not permitted.
- Free drinking water is available at the water point near the restrooms.
- If you drive, don't drink. The legal blood alcohol limit for driving is 0.5‰ — we recommend drivers stay completely sober (the designated-driver principle).

4. Drugs: Zero Tolerance

- The possession, use, dealing, and sharing of illegal drugs is strictly prohibited across the entire venue. This also applies to cannabis and nitrous oxide.
- If illegal drugs are found, they will be confiscated. The person involved may be removed from the venue, without a refund of the ticket.
- In case of suspected dealing or larger quantities, the police will be contacted immediately.

- Spiking (adding something to another person's drink) is a criminal offense and will always be reported to the police.

5. Health & Support

- A permanent first aid post staffed by a recognized organization is present. Its location is marked on the festival map.
- Seeking help is never punished. Anyone who seeks medical help for themselves or a friend will be helped — not sanctioned. Health always comes before enforcement.
- If you suspect something has been added to your drink: go immediately to the bar, our care team, or first aid. Reports are taken seriously.

Amant V'air wants to be a place where everyone can feel safe, welcome, and be themselves.

Care team — Our care team members move around the venue visibly and recognizably (e.g. by [clothing/wristband]). They keep an eye on things, proactively approach people in cases of distress, unwanted behavior, discrimination, or excessive use, and are always approachable. If you're unsure whether things feel okay — for yourself or someone else — feel free to talk to them.

Our Values

- Respect each other's space and boundaries.
- We're all here for the music and the atmosphere.
- Enjoy.
- Look out for one another and help each other.
- Always ask permission before touching or approaching someone.

Care zone — There is a quiet, secluded space available (see festival map) where you can take a moment to recover, away from the crowd. This zone is separate from the first aid post and offers water, a seat, and privacy for anyone who needs it — for example after an unpleasant experience, overstimulation, or simply the need for a moment alone.

Asking for help is never punished (see also section 5): anyone seeking support for themselves or someone else will be helped — not sanctioned.

6. Respect & Behavior

- Everyone is treated with respect, regardless of gender, origin, sexual orientation, age, or appearance. Discrimination, harassment, assault, or violence — verbal or physical — will not be tolerated.
- Sexual harassment or unwanted physical contact is grounds for immediate removal and reporting to the police.
- Report boundary-crossing behavior to our care team or directly to security.
- Take care of the venue: dispose of waste in the bins provided and treat the festival and its surroundings with care.
- Damage to infrastructure, decor, or materials will be charged to the person responsible.

7. Photo, Video & Image Rights

- Amant V'air records photo and video footage during the event for promotional purposes (social media, website, aftermovie). This is clearly signposted at the entrance.
- By entering the venue, you consent to atmosphere shots in which you appear as part of the crowd (legitimate interest). Separate consent applies for targeted portrait photos or recognizable individual images.
- Object to the use of your image? Contact us (email Amant V'air) and we will remove the image as soon as possible.
- Secretly filming others — especially in intimate situations — is prohibited and punishable by law.
- Drone use by visitors is prohibited without prior written permission from the organization.

8. Tickets, Discount Codes & Contests

- Tickets are personal.
- Discount codes are valid once, cannot be combined, and cannot be exchanged for cash.
- Contests and promotions are subject to the accompanying contest terms, available on the website. Participation implies acceptance of these terms.
- If entry is refused (e.g. based on age verification or safety grounds), the right to a ticket refund is forfeited.

9. Privacy

The processing of your personal data (upon ticket purchase, participation in contests, use of the website) is carried out in accordance with our [privacy statement]. Your data is not sold to third parties. For questions or to exercise your rights: [email address].

10. Getting Home Safely

- Plan your transportation in advance. We strongly encourage the use of public transport, bicycles, taxis, or carpooling.
- Look out for your friends, take care of one another.

11. Sanctions

In the event of a violation of these house rules, the organization may, depending on the severity, take one or more of the following measures:

- Verbal warning
- Confiscation of drinks or prohibited substances
- Refusal of further service
- Removal from the venue without a refund of the ticket
- Involvement of the police and/or legal prosecution

Decisions are made by [the event manager] in consultation with security and are final.

Questions or incidents? Speak to a staff member or contact [name of contact person] via [phone number].

Enjoy the festival. Thank you. ■
